XtremeMac™

Made for iPod

Works with iPhone

InCharge Duo™

This rapid charging dock and syncing cradle is perfect for home or office. With two docks, you can charge any combination of iPhone or iPod models. InCharge Duo will charge your device twice as quickly as charging with a computer and with charging status indicators you'll know when you're fully charged. The compact design fits nicely on a desk or countertop. Plus, with the included USB cable you can sync directly to iTunes while charging.
